The journey...

Founded on November 07, 1893 by a group of 175 Civil Servants, with the prime objective of extending financial assistance to Civil Servants who has difficulties obtaining loan facilities, the Mauritius Civil Service Mutual Aid Association Ltd has always operated on the principle of prudential financial management, within a framework of good governance.

Driven by its underlying philosophy of mutuality and its vision to be the best financial partner of its members, the Mutual Aid Association has been able to maintain the trust of its stakeholders over the years and currently has a customer base of over 130,000 people including members in Rodrigues.

The Association has invested massively in state of the art technology and has already embarked upon its digital journey it acquired a robust technological platform to provide seamless services to its customers. True to its journey of constant evolution, the Association launched its e-Services platform thus offering online services to its customers. In pursuit of its digital journey, the Association is presently in the phase of implementing other strategies to enhance interaction with its customers.

In November 2018, the Association marked its 125th Anniversary, thus testifying in a real way that it stood the test of time. It has today grown into a huge organization with a solid base showing resilience and sustainability.

The Mutual Aid Association has been among the 10 most profitable companies in 'The Top 100' rankings for several years. For the year ended June 2021, the Association was crowned as the second most profitable company among the Top 100 Companies in Mauritius.

Proudly presenting...

True to its philosophy of mutuality, the Association has recently embarked upon a loyalty card program with the main objective of enabling its members to benefit from discounts and privileges at selected retail outlets and service providers. The first collaborators on the MCS Mutual Aid Ltd.'s loyalty card program include Namaste - Eskaem Group. Co. Ltd, Espace Beauté, Quality Décor, City Sport, Mathieu Opticiens, Attitude Group of hotels and Toyota Spare parts

A photograph of the interior of an Aldo shoe store. The store has a modern, minimalist design with white shelving units and black display cases. The shelves are filled with various styles of men's and women's shoes, including loafers, dress shoes, and casual sneakers. Some shoes are displayed on individual stands, while others are grouped together. The store is well-lit with recessed ceiling lights. The Aldo logo is prominently displayed on a black sign above the entrance. A large bouquet of colorful flowers is visible on the right side of the store.
